Hyderabad-Beccen,
13th January, 1940.

Dear Mr. Jinnah,

In continuation of my telephonic conversation I most cordially invite you to participate in the annual Conference of the Ittehadul Muslims to be held on 22nd, 23rd and 24th January, 1940.

I assure you that the grand sight of the celebrations and the marvellous organisation of the Beccen muslims will undoubtedly command your tribute. The arrangements have been made on broad scale and are equally magnificent to that of the Patna session.

I request you with all zeal to be with us in the Conference. I hope the request made on behalf of the thousands of muslims will be duly complied with.

Thanking you in anticipation,

Yours sincerely,

Bahadur Yar Jung
