27th June 1941

Exalted Highness,

I am in receipt of your letter of the 18th June 1941 and now that I have had the opportunity of discussing the matter fully with Sir Akbar Hyderi and Mr. Syed Aboul Aziz in replying to your letter. I may mention that as requested by your Exalted Highness, Mr. Tajiuddin was also present at the meeting. I had also asked Nawab Bahadur Far Jang to come down to Bombay in order to hear and understand the case and he has to say in the matter and had a very long discussion with him.

As a result of his free and frank talk with me I am hopeful of finding a satisfactory solution; but as I can tender my respectful advice to Your Exalted Highness I am of opinion that I should have the opportunity of discussing the matter with Your Exalted Highness and am confident that we shall be able to find a solution, that we must, which will meet your approval.

I fully appreciate and understand all that Your Exalted Highness has written to me and also what is meant by it.

In the meantime I hope that nothing will be done by your Exalted Highness or Your Government, as I am coming to Hyderabad very soon in a professional engagement and I shall have the honour of meeting Your Exalted Highness. I will wire the exact date of my arrival, as I understand the date is fixed on the 8th of July and I shall be there one or two earlier.

With very kind regards and with best of wishes

Yours sincerely

Exalted Highness
