30th May 1940.

Your Exalted Highness,

I have received your letter of the 20th May 1940, and I thank you for it.

I beg to reassure you that we shall stand whole heartedly by Hyderabad and your Majesty. I have already expressed my views before your Exalted Highness when I had the honour and privilege of an interview with you. I need hardly say that I am very glad indeed that Your Exalted Highness proposes to keep me informed of all the happenings in Hyderabad from time to time.

I also received a confidential note sent to me by Your Exalted Highness and let me say that you will not find the Muslim League wanting and will come to the rescue of Hyderabad if any harm is done or likely to be done to Your Exalted Highness or to your dynasty and the Muslims. We shall not fail as we fully appreciate the position.

I thank you very much in conclusion for the confidence and trust that you have been good enough to place in us and God willing, we shall prove ourselves worthy of it.

With my very best regards and all good wishes  
Yours sincerely,

M.S.H. The Nizam.
