Dear Mr. Jinnah,

السلام علیکم ورحمة اللہ وبرکاتہ

I was waiting for your return to Bombay after finishing your activities at Lucknow & Simla.

In some important Islamic affairs your consultation is most essential.

I know you have a mind of coming over here to us, in Hyderabad in the month of December but I fear that it will be of any much use to me as regards your activities at that time.

So kindly inform me of the time at your disposal in which I may come to Bombay and
