Dear Nawab Bahadur Yar Jung,

As indicated to you in our inter-
view at Delhi and by my subsequent
letters, I have been still carrying
my correspondence. But I think
it will be very desirable if you can
come down to Bombay on the 22nd of
this month, so that we can discuss
the matter further personally.

I hope this will not cause any
inconvenience to you and I am looking
forward to meet you.

With kind regards

Yours sincerely

Nawab Bahadur Yar Jung
