

Hyderabad.

Dated 8th June 1939.

My dear Mr. Jinnah,

My friend Mr. Abdul Hamid Ismail, a good friend from the Madras Presidency and who is well known to all Indian Muslim brothers as a staunch worker of the Non-Co-operation Movement, has compiled a book-let in Tamil replying to all the objections raised by the Orientalists and Arya Samajists against Islam.

The original thesis has been translated into English under the title "The Natural Religion". The Molvi Sahib wishes you to express your opinion about it, so as to include it in the booklet before it comes out from the press.

I shall highly obliged if you will do so at your earliest possible convenience.

Thanking you in anticipation.

Yours sincerely,

Bahadur Yar Khan
